DWPC GARDEN NEEDS YOUR HELP!

Spring is upon us! look for a few large-flowering crocus planted along the edges of our front border. Most are white with purple stripes. They won't last long, so look for them after the first thaw. And if you'd like to help with the garden, please contact Mell McDonnell. Tasks, including dead-heading and minor weeding, won't take long--about one hour during the spring-summer season. Please call Mell at (303) 698-2264 and leave a message. No emails, please.
